

Jennifer Brick & Brian Varca
Rancho Las Lomas, Silverado

PHOTOGRAPHED BY JIM KENNEDY PHOTOGRAPHY

As a high school senior, Brian told Jennifer, who was at the time a freshman, that she would one day be his wife. Twelve years later, he asked her. During those twelve years, Brian and Jennifer lived miles apart, but Brian still kept in touch to make sure that Jennifer would not forget about him. Eventually Brian found his way back to Jennifer and called one last time to invite her to dinner. The connection was instant and Brian swept Jennifer off her feet.
