

## DREAM DESTINATION

**Invitations** Handmade invitations included a beach photo from the couple's pre-honeymoon trip to Vietnam. **Floral & Event Design** *Bobbe Vagell Floral Concepts* created a travel theme since the couple had visited numerous international cities together. White tulips and green grapes decked the long rehearsal dinner table in an intimate tented room. Similar rustic tones paired with pale roses and white calla lilies created a romantic wedding reception. Each table was named a place the couple had traveled together, with theirs being Havana, representing their first trip. **Lighting** *Lighten Up* **Linens** *Tabella Designs* **Cake** *Cake Divas* **Entertainment** *Bruce Garnitz* and *Anisa's Dance Troupe* **Videography** *Manifest Video* **Wedding Gown** An elegant gold gown from *Celeste Bridal* **Hair & Makeup** *Mariah Nicole* **Bridesmaid Dresses** Maids chose their own dresses in chocolate brown. **Honeymoon** Three months prior to the wedding, the couple traveled to Cambodia and Vietnam for five weeks to work with Scott Neeson, the founder of an orphanage.
